

Carolyn Eileen Reheis

March 4, 1943 - September 12, 2021

Carolyn Eileen Reheis passed away unexpectedly on September 12, 2021. She was born March 4, 1943, in Winfield, KS as the youngest daughter of Arvy and Elanor Bannon. While in high school in Douglass, Kansas, she was a twirler, a cheerleader, as well as the basketball and football queen. During this time, she dated the point guard and quarterback, Gary, and they married in 1966. They celebrated their 55 years together in June of 2021.

After they married, they moved to Bartlesville where Gary started a 35-year career with Phillips Petroleum Company. Carolyn worked as an executive secretary for REDA Pump and later part time as the Madison Junior High School lunchroom supervisor. No child ever went hungry under her watch in the cafeteria whether they had money or not.

She is survived by the loves of her life, husband Gary of the home, daughter Michelle Sitton (Kevin) of Bartlesville, son Kevin Reheis of Norman, her very special grandkids Kayla Sitton and Tanner Sitton (both students at The University of Oklahoma), brother Gary Bannon (Julie) of California, and many nieces, nephews, and special friends. She was preceded in death by her parents, and a sister Joanne Marsh.

Carolyn was a mom to everyone. She never met a stranger and made friends wherever she went, especially at Homeland and Thirsty's. She will be missed

by anyone that knew her and many more that didn't but might have recognized her driving all around town.

Visitation is at Stumpff Funeral Home in Bartlesville on Wed, Sept. 15th from 5-7pm. Funeral will be at Stumpff Family Chapel at 10am on Thurs, Sept 16th. Final interment will directly follow at Memorial Park Cemetery.

“ When my sister, Katy, and my brother, Steven, and I would stay at our grandparents, our much adored Aunt Carolyn would at times have a date with some Gary person which would just crush us. To pacify us, she would tell us "wait up for me and we will have toast and you can twist my hair" and goofy us would be excited and do everything in our power to stay awake! She pretended she was going to toss us off a bridge, tell me she was eating lettuce when chewing gum so she wouldn't have to give me piece or maybe because it was her last, and for years I believed you had to "run up town" before you could put the car in the garage. Shoot. We just wanted to be around her and were lucky she let us! Love you very much Aunt Carolyn and will miss receiving your cards and calls!

“ When I would be out running errands, I would always see Carolyn parked in the parking lot over by the Arby's on Frank Phillips. I would stop and visit with her quite frequently.

We always had such wonderful conversations, and solved all the worlds problems. lol

“ I always enjoyed meeting up with Carolyn. Our husbands played in a golf league together many years ago. I remember one time that I met her at the grocery store when she gave me the good news that she was expecting. I was so happy for them. She always was a bright spot in our community and will be missed.

Words can not express all the feelings and memories the Fraser family has for Carolyn. She was so very good about keeping an eye on my folks. I remember her worrying about my dad after mom passed. Then Jordan moved into her grandparents house and again, Carolyn helped any way she was able. I smile as I think she is in Heaven now with my folks, watching everything that goes on around the pond and golf course. RIP dear, loving lady. Meredith Fraser
