“ Through the years I watched her work at the school & in the concession stands so she could be close to her boys. Later in years our children brought us together. We both agreed we won the jack pot!

She may have been small in stature, but a mighty woman!

I admire her strength, dedication, & strong family bond!

Love you Cathy thank you for accepting me & sharing your family!

She was such a nice lady, and she raised some very fine young men.
