“ *Charly (Charlene) was a special sister. She was a twin of Jeraldine Fries. also a special sister. I'm the older sister who raised them from the time they were 3 yrs.old until junior high school. Charly was very talented and created many beautiful things i.e.quilts, paintings and clothing items. She was a perfectionist in everything she did. She was smart, funny and had a very big heart. She left a big empty place in my heart and I will love her always.*
