Charles its been 2 long years since I lost my best friend! your missed! Im still lost without you! You were the calm to my storm. Never forget all the times you were here for me without me asking. The time I got my teeth pulled and for a week you had to take care of me delirious from the marijuana oil I rubbed on my gums every time I woke up. LMAO I didn't hurt! Thank you for always being my friend ! Until we meet again!
