“ *Chuck and Shirley were dear friends of mine and Chuck helped me through some hard times recently and he did it with such kindness and understanding which is what I admired about Chuck. No matter what events took place in his life he always showed great faith and endurance. He would send me silly jokes now and then and if I was discouraged he would take time to send me an encouraging text. He was a great human being and I will miss him always*

“Dad was the kindest most humble and soft spoken man. I never heard him raise his voice or yell out of anger. If he was upset he would get really quiet and read. Usually the bible. He attended every event, every graduation and wedding of my kids. He never spoke bad of anyone or gossiped. He was very understanding and support there was no man like him. Love you dad and i hope i get to see you again in the new world.

“He was a big part of my life, when I was 16 he helped me by letting me move in with him and my aunt Shirley so I could come back to Colorado. He was a fun loving person who would play outdoor sports with us kids. He was a good role model for all of use that knew him. He will forever be in our hearts and be missed.

We dearly loved Chuck and Shirley. When we were in the process of moving to Colorado, they opened their home to us. We will always remember their hospitality and love. We look forward to welcoming them in the Resurrection. Love and prayers for all those grieving Chuck's death.

As many others have expressed we also loved Chuck and Shirley. We met them in Colorado and remained friends. They were both accepting and encouraging friends. I know we will all rejoice when they rejoin us in the resurrection.
