

Charles Edward Lee Sr.

December 29, 1940 - October 10, 2024

Charles was passionate about caring for his family. He had a great sense of humor and loved to tell stories. Charles Edward Lee, 83, of Bartlesville, OK passed away of respiratory failure on October 10, 2024.

He was born in Enid, OK in 1940 to Joseph Noel Lee and Dorris Tee Lee. He attended College High in Bartlesville before joining the U.S. Army. He went on to study music and education at Oklahoma State University. He later went on to work in both the fields of education and oil/geothermal energy. His career took his family to several beautiful locations in the western United States.

Charles met the love of his life, Sandra in high school. They married in 1961 and were together until Sandra's passing in 2019. They had two children, Melissa and Charles Jr. Charles loved his granddaughters Katy and Emma and his great grandson Jude to the moon and back. Family was the most important thing to him. He loved his lifelong friends both near and far. They shared so many memories from his high school, music, theater, church communities and beyond.

Charles will always be remembered for his "life of the party" quality and his prolific story telling ability. We couldn't have asked for a better father/grandfather and will miss him every day. His memory will live on in the hearts of all those who loved him.

Charles was preceded in death by his parents Joseph and Dorris and his loving wife Sandra. He is survived by sister and brother-in-law Noelita and Dennis Crowe, his children Melissa Sutton and Charles Jr, his granddaughters Katy Lach and Emma Sutton, his great grandson Jude Lach, and many nieces and nephews.
