“ Where to begin I met Charlie 26 years ago at Phillips he checked files out from me. I was always afraid of him they always warned me if a man came up named CA Roberts you make sure you get him exactly what he needs & wants & do it quickly. As years went by I made dear friends with Patsy & Charlie both. They came to our house on holidays, attended our grandchildren's graduations they were just like family to us we loved them both dearly. This man that co-workers had me fearing turned out to be a very kind loving man. My heart hurts that he is gone as I thought of him as a father. He reminded me so much of my own father that I lost many years ago. I know he is no longer in pain he is smiling down on us letting us know I am ok I am free from my pain so be happy for me. I will cherish many fond memories of a wonderful man that was so kind to me for the rest of my life. I will miss him more than you can imagine. He will be missed by many that was touched by his life. He was so proud of his flies collection it was something he was excellent at doing. My heart goes out to the family he was a wonderful man that will be missed by all of us.

My sincere sympathy,

Kay & Sonny White and Family
