“ Cherrie and I were neighbors. We were always out talking in the driveway. We checked in on each other often. I will certainly miss visiting with her. RIP friend.

“ Cherrie had such a vibrant personality and her voice was so recognizable and full of joy!!!! I will always remember she gifted my husband Stephen and me the most thoughtful and memorable wedding present. We went to Greece for our honeymoon and she gave us actual Greek coins for us to easily spend right when we got to Greece. It was my favorite and most thoughtful gift. We will miss her and always remember her in such a beautiful light.
