“ *As an Inspector who got to see Chris a lot at times for buying off work on cowlings that he and his personnel worked on, it was always a pleasure to speak with Chris, being positive about life everyday, the excitement he showed in items he picked up a sales, I know he worked at trying to find info on a Jade item he acquired several years ago, hopefully he found what he was looking for on it. I know I'll miss his laugh and smile and I'll see him again one day as we stroll the streets of gold in heaven.*

“ *It's a rare privilege in life to meet someone who has a fierce spirit, but a gentle soul. Who has a CEO's intellect, but everyman sensibilities. Who gladly acts as a sounding board, a father-confessor, a confidante, friend, and mentor. Chris Lancaster, you were all of that. Day after day, you drove us, motivated us, made us laugh, made us think and made us better. It will be melancholy walking into work from now on, knowing you're not there. Just know, my friend, that a little bit of you will always be with me. Rest in Peace, boss.*
