“ *I remember having our heads under the hood of a car, he was always tinkering on them and I was always asking what the tools were. Lol. I will miss you very much and know you're in my heart forever.*

“ *Clead was a Very Special and Loved man. He touched and impacted the lives of everyone he came into contact with. He was my father in law for almost 10 years, but my friend for close to 26 years.*

*God, Please be with the family during this time of grief. Please let them know that Clead is no longer in pain and will be with them indefinitely, (in their hearts)... Amen*
