“ *I have so many memories I do not know where to start. Cleo was one of the most caring and Godly people I have ever known and I am thankful she was my Aunt. While we never lived in Heavener I spent a lot of time there and I always enjoy those memories which usually involved some kind of work. I especially remember picking eggs three times a day when we would visit and we ate a lot of eggs to say the least. I always think back on the days we would walk from the Harris farm to the Wiles farm and then on to the King farm on that old wagon rode.*

Thank you Aunt Cleo for everything you taught all of us

“ Aunt Cleo was a Godly woman. I have many memories of her and uncle Elzie, as a child growing up in the city we always went to there farm every spring break. i always loved the hospitality that was given to us. we spent many times around the piano singing and always ate good food. she will be missed by many but i know that i will see her one day in Heaven. Love each of yall!
