“ Oh my. I had no idea Connie had passed away! My condolences to all her loved ones. I met Connie back in the late 80's/early 90's during middle school days of our kids. Such a nice, funny lady to be volunteers/friends together. Rest In Peace sweet Connie❤️

“ Connie was a people person. She talked me in to joining her book club. As an introvert, I had thought about joining the club for years, but never did. All it took was her invite. We'll miss her so much at the club. I enjoyed her company. God bless you all. She was a sweet friend.

“ I was very sorry to learn of Connie's death. She was such a kind and caring person. For years she and my dad, Walter Bohn, took a tai chi class together. She never forgot to remember his birthday and always sent him greetings on holidays, even after dementia robbed him of the ability to remember those he had known well. Rest in peace, Connie.

“ I remember Connie (and Clyde) from my days working at Reda in Bartlesville. She was always a very upbeat, happy, and positive person. Condolences to the family, who hopefully, will find some comfort from great memories of Connie, during this difficult time.
