“ There is much gratitude in my heart for the life Duke shared with us where he worked for years being faithful. Duke loved to carve and gave me one with a puppy because of helping on his home acquisition. Duke put his heart into it and had a picture of a bear holding it. It is a treasure to me until we all have a wonderful reunion in heaven with Jesus together forever. May God's love and comfort surround you and family

“ Duke was a dear dear friend that lived across from me and my family in Lakewood Co, and who spent numerous hours with my young sons, taking them to events and sharing the Lord with them. He was such a pleasant and joyous person to be around. He will be sorely missed by all who have ever had the blessing of being in his company.....Rest my friend and we shall meet again someday!!
