“ I worked with Dana at Phillips/ConocoPhillips many years ago on the Help Desk. She sat on the other side of my wall and she helped train me. We quickly became friends as we share the love of dogs. She truly LOVED her doggies. She was such a pretty and classy lady that was always a pleasure to be around. I can distinctly remember her laugh. RIP sweet friend. I know you are surrounded by your fur babies who were waiting on you.

“ Dana Jo was my little cousin that I took care of while my Aunt and Uncle were at work. I took her everywhere even on dates. She was so cute and was a guy magnet. She loved it. I wish I were not so far away and could have spent more time with her and my family. Even as a small child Dana Jo was very caring and loved every thing. She will be missed by many.
