“ Have been just hearbroken since learning of Dana's illness and passing. My earliest memories of Dana and KK are when we were almost neighbors on Walnut street. Many fond memories of playing as young children and later through elementary and high school cheering together. My husband and Dana graduated together, and he sends his sympathy. After Ricky and I lost our infant daughter in October 1999 I ran into Dana in Kmart. I was dirty from picking turnips in Dewey and was making a urgent shopping stop for a pacifier to replace one we had lost in the patch. She so kindly and warmly hugged me and shared her condolences and told me how she had been praying for Ricky and I after our loss. That meant so much to me. She was always smiling and just a good person, it was a pleasure to grow up with her.

We send all our love to Bob and Linda, and her beautiful girls, KK and Bobby and your entire family. Know that you will continue to be in my thoughts and prayers. I pray for God's abundant peace and healing to carry you through the days ahead.

“ We were so sorry to hear about Dana. I remember when we were at Don & Julie's and we saw her first baby and I thought she was as beautiful of a little girl I had ever seen. I'm sure her other two were as beautiful. We are very sad but know she is in God's hand now and He will take care of her. Love, Chuck and Kay Pomeroy
