“ So sorry to have lost my childhood friend. We had many a great time together - spending the night with each other, swimming or jumping on the trampoline at her house, riding bikes through Woodland, sharing our birthday and Christmas gifts with each other, and arguing like sisters yet loving each other as best of friends. I will never forget you, Dana! You were a dear friend to me! My thoughts and prayers go out to everyone in your family at this difficult time.

“ I have many fond memories of spending time with Dana as a child. The opportunities to do so dwindled as we grew older, but she holds a sweet place in my memory and I am sad she is gone.

“ I will never forget the first day I saw Dana, I was 10 years old at a new school and new town. Dana took me under her wings and tried her best to make me feel better. From that point on we were with each other every day for the next 5 years either swimming, jumping on her trampoline or at church. We went on vacations together and ended up going to college together. I really can't imagine this world without Dana. I do know that when I go to Heaven Dana will be there and I am sure she will take me under her angel wings once again. You are forever in my heart Dana Beth.

I love the Williams family and my heart goes out to them. God Bless You All

“ Dana I will remember the life treasures we shared together. I hope to lead by your example to leave the type of legacy footprints you shared with so many of us.

Coping with your loss is much easier knowing your Faith was a high priority with you, thanks for sharing this with me.

The Irish blessing below, is one I felt you would want to share with us!

*Don't grieve for me, for now I'm free!
I follow the plan God laid for me.
I saw His face, I heard His call,
I took His hand and left it all...
I could not stay another day,
To love, to laugh, to work or play;
Tasks left undone must stay that way.
And if my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss...
Ah yes, these things I, too, shall miss.
My life's been full, I've savoured much:
Good times, good friends, a loved one's touch.
Perhaps my time seemed all too brief—
Don't shorten yours with undue grief.
Be not burdened with tears of sorrow,
Enjoy the sunshine of the morrow.*

*Love you always,
Florence Trotter Wise*
