“ You will be incredibly missed, Dan. The laughter and joy that you brought with you into any situation is truly a gift. I will never forget being in Texas with you and Amy. You made that entire weekend beyond fun. Thank you for sharing your laughter with my mom, Sherry Widener and I. It will be something that I'll never forget. Your family will be in our prayers during this difficult time.

*Love,

“ Dan was a winner. He always had a positive light even when things weren't so bright. My wife Brenda and I will never forget the evening we shared together outside the hotel bar at a Hilti event in Dallas a few years back.

Story after story. Laughter abound. We had such a great time. A time that I am certain was so because of Dan just being Dan.

Amy may the Lord hold you close during this difficult time and comfort you in the days ahead.

In your honor, I will be watching the OSU game today, (after the OU game of course), and having a beer. Hilti will never be the same without your smile and kind words.*
