“ We first encountered Dan when a meeting was called by Marta Manning at Saint James Church to have a community gathering. The consensus was to have a party. What kind of party. Well whatever its theme Dan insisted we have a Champagne Fountain to give it elegance. That fountain was a main stay throughout the 32 year history of Mardi gras at the Church. When our son Michael enrolled in Notre Dame we were invited to Dan and Dixie's home to enjoy Notre Dame football games which we did for many years. We have fond memories of Dan cheering while Frank remained cautious until the final gun. Those were the days when we got to know the Keleher children and eventually Dan's grandchildren. Nortre Dames loses only dimmed the camaraderie briefly as friendships blossomed with family stories shared. Those were the best of times! So move over Gipper forevermore when the team is at its low we will cheer "Win won for Dan!"
