“ *Danny was a kind-hearted man who just genuinely like people & who overlooked the faults of others. This world needs more just like him. I will miss his humor, his candor, his wealth of knowledge, his humility, & his spirit. Rest easy, my friend. May our Loving Father's grace & peace be upon Danny's family.*

“ Heartfelt condolences to Betty and the entire family. Danny was such a wonderful person to know and work with; always cheerful and just a pleasure to be around. It was my privilege to have known Danny. May he Rest In Peace and the family find comfort in their love and many fond memories of Danny. God Bless.

“ Condolences to Betty and the children. We will miss Danny's cheerful and humorous nature. He was always in a good mood. Danny was my “across the isle buddy” and co-worker at Phillips Petroleum for many years, even went fishing a few times. He had a thing of calling me Jeremy just for the fun of it. I always chuckled at that. I know you are in God's hands Danny, rest in peace my friend.

“ *I knew Danny close to 30 years. Working at Phillips and Monday morning breakfasts. Danny never met a stranger. The most cheerful man I knew. He dearly loved Betty. Every time he mentioned her name he followed up by saying how she was an angel and how lucky he was to have her. We love you and will miss you Danny.*

Danny was a good friend. I worked with him for many years and then he worked for me for many years. He was a good worker and enjoyed playing pranks. We exercised together at Phillips. We went fishing together and we had breakfast together with other PPCo retirees. I can't believe he's gone.
