“ *To Brandon, Ambi, and Aubin ,*

I love you all. I am so sorry for your loss. I Remember growing up in Okesa,, Darlene was the community mom. She was always so good to all of us kids. She went to all of our school trips and we had such fun.. Through the years mom and I stayed close. We always talked on the phone or at least an hour at a time. I love her so much, and she will greatly be missed

“ *Darlene was one of my “big cousins” whom I looked up to. She and Glenda, my oldest sister, became very close, and Darlene was always there for Glenda, encouraging, supporting and just being a friend. I learned to love her in a different way during the times of Glenda’s illness, not just the admiration of my “big cousin”. I wish I could be there for her memorial service, but it just isn’t possible. my condolences to the family. I pray for peace and comfort for you all.*
