“ *I met Darlene in 1951 at Franklin School ,Pawhuska, Ok... Darlene was a 6th grader and I was a 1st grader. Darlene and several of her friends included me on their game of jacks and she taught me how to play the game . Later in my life we renewed our friendship as older people,she an adult and I a teenager! We attended the same church and I must say she was a wonderful example of a very dedicated Christian. I haven't seen her in years but I will always remember her love and kindness toward me at a very young age! Prayin for her family and friends in the days weeks and months ahead!*
