“ *This man was my swim coach from 1994-1997. I will always have fond memories of his motivation, encouragement and understanding. He was truly a positive male role model in my life from a young age. I am saddened to hear of his passing; the world needs more Coach Kerr's.*

“*Sad news to hear about Darrell. I heard he was not in the best of health but he seemed to be doing okay. I’m trying to think of a memory I have of Darrell to share with you and this comes to mind. We shared part of our childhood together. I remember the days when he was a lifeguard at the Sanipool and he was always singing. He was ornery, that’s for certain. For instance, he wouldn’t let me go into the deep end until I could swim the width of the pool. But I could swim it and he knew it. Over and over again, I’d swim and he’d say, “sorry but I didn’t see you”. I know he’ll be missed by his friends and loved ones. May God bless you and comfort you all.*
