“ While we will miss David on earth we will definitely see him again. He was a true friend & role model to all. I will always be in gratitude to the Greene Family, 9 years ago my parent's home exploded killing my father & leaving my mother with having lost everything they had. All she had was the night gown she was wearing. David was the first person to come to her aid bearing condolences & new wardrobe for her 80 year old frail frame, all the time denying that it was he who provided new clothes. A true humanitarian that cannot be replaced. God Bless the Greene Family as God Blessed me with such great friend.

God keep you close, my prayers to Clyde, Shelley & Family, Mary Helen, John, & Megan & Family.
