“I loved Dave like a brother,and he felt the same way about me. He was as fine as man as I ever met. Me,him, and Smitty stuck together and when Smitty passed Dave was right there with his hand on my shoulder. Made sure I ate and just everything. I send my prayers to his family, family meant everything to Dave. So I hope we all can strive to reach the standard he set in this world. I'll miss you my brother, I want to see you in heaven. I know you're there with Mickey now. Godspeed.
