“ *Dad, your in heaven now, surrounded by loved ones that went before us. As you walk along pain free, know that down here we will all be okay knowing how well you have it where you are. You are with our Creator, and he called you home because heaven needed another angel to watch out for your crazy kids! I will miss you so much, and never will I forget the things you have taught me, the memories we shared, and the laughs we have, and had. Sorry for all the trauma us kids may have caused you haha. But we sure had a lot of fun putting you hell. We all love you so very much. Miss you daddy. :)*

“ Unkie Dave... I'm gonna miss you a ton. I remember you pulling up at my house when I was about 6 or 7 and tossing me on the back of your Harley and we went riding for what seemed like hours. My momma wasn't the happiest, but we went anyways!!! Then we went and played catch. It was my first time catching a lefty... My Daddy was a righty... Fishing at the reservoir... Them little ol fish I caught and you swore I was the next bass pro! I still remember like yesterday. You were a solid, stand up guy. You made your share of mistakes and God loved you for them. Im not sure who loved being a Keck more, you or my Daddy but one thing is for sure is I love being a Keck because you and my Daddy Loved being a Keck. My heart hurts having to type this note, knowing you cant read it, but hopefully you are now in a space where you can ride a long sun lit highway with out a care in the world. By now you will have seen my Grandma who I loved more than the day is long and you will have gotten to see my Daddy and PaPa. For that I am extremely jealous. I pray that God welcomed you home with open arms because you are his son before you were ever our family. I love you uncle Dave.

*Many tears, respect, love and loyalty...*

*Mikey.....*

“ *To the Family, praying for God to surround you with the comfort of knowing Dave is at peace in heaven. We who are left here sometimes can't understand why our loved ones are taken so early from us, but God call'd them home. Their job with us was competed. Now, we go on with all the memories and love that will always be ours to keep in our hearts. Dave, you were a great brother-in-law to me and I will miss you much. Love to all, Connie*
