“ David was a great bestfriend to me who touch my heart with his kindness, love, David's crazy driving at times riding with him in his truck having a blast, caring, helpfulness, but always a great time with him, laughter, stories he would tell me about, and wonderful fun memories we shared together. Always a smile no matter what on his face. A great guy who cared and loved so much about his family and friends! I'm so glad to say that David was a bestfriend who knew how to touch anyone's heart. Who I enjoyed hanging out with even if working on something was involved but laughing threw it all together. The craziness we did when we were around each other, to the helping each other threw tough times. David would act like a bodyguard to me at different times we hungout together just so we could get a good laugh out of people! David you're always Loved and Never forgotten! David you was taken away to soon from us all who's lives you touched! God has a wonderful angel now!!! R.I.P. My Bestfriend Friend David riding high in the sky watching over the us love ones here missing you!! Till we meet again brother!!!

“ Watching as Justin and Sissy try to handle this week without you 2 by their side is one of the most difficult things to watch. We all feel so helpless as we prepare to say Good-Bye for now..Dave since you were a little onery boy you've been taking care of my baby brother..He looked to you for everything.Please send him signs that you're never too far away..Marquita do the same for Sis.She's trying to hold it all together but she's having a tough time..You 2 got to do what many never will..You loved together and left this earth together..Sitting looking at you both today I saw so many beautiful things in this sad situation. I'm so glad you are together..Until we're all reunited, have a blast up there and keep an eye on your brother and sister..
