“ Shelle,

I had no idea Deborah had passed.

What a loss for this world! Deborah was so witty and fun to be around. She had a special light in her that just pulled you in and made you want to be around her.

I'm so sorry Shelle. I know how close you guys were. She was something else. When you met Deborah, she left an impression. I thought she was great, just like you. I will always have wonderful memories of you both.

“ *Although I did not know your dear loved one, I saw the obituary online and wanted to send along my condolence. I know this is a very difficult time for the family. Something that has always given me comfort is a scripture at Revelation 21:4, it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I sincerely hope this brings you some comfort.*
