“ So sorry for the loss of your Wife, Mother, Grandmother and my sweet cousin.
so many wonderful memories of when I would come to Bartlesville from Alaska and Seattle to visit our grandparents. Debbie was the first person I wanted to see. We had so much fun together at family gathers at her parents eating a Mexican Feast! Family picnics at Ponca City at Aunt Dorathy's with all the cousins running around. Swimming at the lake . Always the homemade ice cream taking turns sitting on it while the guys cranked it. As we got older we wrote letters to each other weekly and shared all our teenage issues. I looked foward to our yearly visits to Oklahoma. My Mom missed being with her parents and sisters so much. It was always happy and alot of laughing at Gramma and Grandpas house. He played the harmonica for us and Deb and I thought that was so cool. Then came Eddie the love of her life. I felt I knew him already before we even met by Debbie's letters. She was so happy and I thought he was perfect for her!! I would visit Deb at the beauty shop and she always make sure I got my sonics
foot long cheese coney dog! Sheena and Derrick were born and then it was more for us to share about our kids. Your Mom loved you kids so much and was so proud of both of you. Then Savannah was born! The sweet granddaughter . Savannah you lit up your Gramma's life! I was so happy the letters stopped and phones came to share pictures , texts, and phone calls. I had not been able to come visit with my Mom sick for the last 6 years but was planning a trip soon. Deb consoled me when I lost my Mom a couple months ago. I only wish I could have been there for her to say goodbye... Until we meet again. Rest in peace Debbie. I will miss our story sharing but will keep the memories forever. Love and Hugs to you Eddie, Sheena, Derrick and Savannah.
Love you Debbie,
Cousin Karen and family
