“ *I can never remember a time when I didn't know Delma. My parents move to Bartlesville in 1947 and met Sleepy and Delma. I was born in early 1948 and she was there with my mother. We attended church together for many years. Delma was a woman of grace and beauty. I always thought she was my Aunt when growing up. Sleepy and Delma would both be disappointed in the current state of the Travelers Motel. When they had it they lived there and you could eat off the floor of any room. I will miss her but look forward to seeing her again.*
