“ *Delvin and I grew up in our teens and were the best of friends. We lived across the street from one another so spent lots of good times in each others home. He took guitar lessons and would pass all this learning on to me. Delvin had a great outlook on life and carried this into his elder years. We will miss you, and we will keep your family in our thought and prayers.*

“ A long bus trip, a broken down bus, sharing a boat. What an absolute awesome trip for 26 guys!! Working late nights, early mornings, spending time getting to know Del! The wisdom he shared, the love of CHRIST he shared during these times. What a great man has joined the Lord in the house that Christ built just for him. What a legacy he has left with everyone he touched. Praying for Donna and all the family.
