“ *That was such a beautiful and comforting tribute to Denise today, with heart-warming stories from her children and friends and family. She was always so sweet and kind, and pleasant to be around. As Steve's cousin, it was a joy to hear all the recollections of the way she loved her family and people she worked with. And I enjoyed Sherri's memories, too. She will be missed. My heart goes out to you Steve, and I hope that her memories will help you get through the days ahead. I wish for you comfort and peace. I love you cousin.... Pattie*

“ *Denise and I have been best of friends since I was 14 or 15 and have been family a long time. We had so many good times and no one could ever have a friend as loyal as she was. She loved God, her family, and friends so much. The other day she asked me how long we had known each other and I told her well over 50 years and she was so excited and said she knew it and gave me a big hug, kiss, and I love you, which was the norm for her. I'm going to miss her terribly but know one day I will see her again. Love you my dearest friend.*

“ I met Denise in 6th grade at Highland Park Elementary, I would always spell her name incorrectly and she did mine as well! We later attended Madison Jr. High in the 8th grade.

On thing that made me always remember her so well was we grew up and married, and we both Married Blevins, at one time there were three Denise/ Deniece Blevins. I'm sure that we all we're getting phone calls for the wrong person. I will forever remember her for her sweet smile.

“ Denise has been like a sister since I was 14 years old. She helped me through my teen years, marriage, babies and most of all, my faith in Jesus Christ. I had the privilege of singing in the choir with her and being her sub during many years of teaching Sunday School, mainly Middle School students at East Bartlesville Christian Church. We went from good friends to family when she married our cousin, Steve!

She will be dearly missed but we know God is rewarding her years of faithful service with eternity with Him. Rest In Peace, Denise, until we meet again ❤️

“ I only saw Denise a few times during her daughter's marriage to my nephew. She was always a gracious, smiling, and gentle person. It was clear to me how much she loved her grandchildren, my nephews and Stephanie's children. I'm glad I got to see her at her grandchildren's home birthday parties. She will be missed by those who loved her.
