“ *Many memories of Denise and the Salesman family. Rather it was her picking on me over my love for Shawna or it was her smacking my hand when I was trying to steal a drink of her diet coke and Jim Bean. The Salesman family was an amazing family and I had so much fun spending time with them. I remember when Denise would go over to Coffeyville hotel to take Shawna, Britt, and Christian swimming and I would tag along because I was the special friend lol. Looking back I smile and shake my head and know Denise was right I should have just left them girls along. You will be missed Denise, but you will always be loved by so many.*
