“ He gave me my smile back when I thought it was gone forever. And showed me what it was like to be happy again. But now the sunshine is gone forever. I love you and miss you.

“ Don was a sweet boy who was loved by his family and friends...Even though I hadn't seen Don in many years no time or distance could stop the love I have for him. I remember when he was a little toddler he had to be in his daddys lap all the time.. When his dad would drive his truck Little Don had to help his daddy drive... His favorite toy was a little red truck. I use to change his diaper.....he was a happy baby.....Don you are and will always be loved and missed by me, your siblings, and all your family..... God has got another Angel named Don Richard Smith in Heaven.... I love you Aunt Doll....

Wish his son had more of a chance to get to know him before he passed.. but at least he got to see him the night before he passed.
