“ *Don was a good friend to my mom Linda McKay. I felt better knowing she had him in his life. I'm sorry to see that he has passed.*

“ *We are so sorry to hear of Don's sickness and passing. I have fond memories of Don when I was a youngster and teenager. I remember well when Randy and I stayed over at Don's house one time when our family was visiting grandparents and Don. Don had one of the first Pontiac Firebirds that came out and Randy and I got to ride in it and we just thought that was the greatest. Quite a thrill it was. We will remember the family in prayer.*
