“ *You will be sorely missed Don. You were 1 of my favorite customers when I cooked at Eggberts. I'll always remember your order. 1 egg sunny side up, bacon and whole wheat toast with no butter and a glass of water. I still have a picture of you in my photo album trying to drink 2 gallons of water with a straw from a pancake batter bucket. We had the best of laughs. Last time I saw you was at Walmart. Gonna miss ya buddy. Your friend, Jimmy Williams*

“ Don was more than just a friend, he was a worker and a helper in times of needs. He was a supervisor, but he worked more than the workers. Also he had a smile that was genuine. We were friends from the later 1950's. He will be missed greatly.

“ Don was a favorite client for over 20 years and spoke with me recently when he surprised me with a phone call. We talked about getting together for lunch. I miss seeing him very much. A very gentle soul who was always ready to share a laugh. Best wishes to Sue and entire Prahl family. If at all possible I will want to be at his memorial service whenever it is held.

Best wishes
