“ *Good morning,*

*I was saddened to hear of the passing of Donna Chamberlain. I am friends with 2 of her sons, Steve and John. Growing up since about age 12, baseball was abound. Sports in general. Miss Donna always would have some food around for some of the neighborhood kids, who always seemed to be playing. She would always be present at ball games and was just a very pleasant woman to be around, always still hip & cool. She was kinda the "cool mom".*

*It was just a fantastic time in life. Feel as though I've lost yet another part of yesteryear with the news of her passing. I'm sure Miss Donna will be handing out sandwiches to all the kids playing alongside in heaven.*

*My blessing to all her family, friends, and loved ones, truly. She will be missed. The memories will be cherished. May she find peace and comfort alongside The Lord, Jesus Christ.*
