“ *Tomorrow should have been her 67th birthday.... 4 years departed. From 7~14 we shared a bedroom (for better or worse) as different as possible !
Her service was the most authentic and honest I have ever attended.
Only 3 times did I eat at her restaurant. They left off Dennys Tuxedo Café where she truly learned everything from the best restaurant in Green Country
She was younger than me. Not supposed to go first.*

“ Knowing you since 1993 when you bought the Restaurant, I feel like it's been forever! You were a great person and one of the smartest business owners I've ever known. Memories of bringing our two little granddaughters in for breakfast when you were still opened on Sundays if I recall, because we would saddle up the horses and we would take our Sunday ride to have breakfast, at that time we called it church! Allowing us to tie the horses by the water trough. Jade couldn't wait to turn 16 so she could work for you. You've been there for her for the past 16 yrs. we will be forever thankful that you were part of our lives. Peace and comfort to your family. We already miss you!
