“ My Condolences to Tommy and the family. I've known Donna most of her life, lost contact and our paths crossed a year ago while working together at Gans Mall. Missed her when she decided to step down due to her cancer. She was strong, looked at everything so positive, with a smile. Se will be so missed. Love you my sweet friend.

“ *Donna was a joy to be around. She was always ready with a laugh and a story. Although I worked with her, I lived in Arkansas so we only saw each other every month or so when I visited the team, and I always looked forward to the visit. She was beautiful in heart and soul. May you rest in peace dear friend.*
