“ *I will remember her smile. She had a pretty one! I remember family gatherings out at Aunt Opal and Uncle Delmers and loved hearing her laughter. I will never forget the one hug I got from her. May peace and comfort surround Charles and her Sons in their grief.*

“ *Our thoughts are with you at this sad time.
Sorrow touches the heart in such a personal, private way.
But we hope you know you're not alone - our caring thoughts are
with you and in the days to come.
Doris will be missed by all and that smile of hers she always had.
May the depth of your faith and the love of those who share your
loss comfort you at this time of sadness.*
