“ I just wanted to let you know that all of you are in my prayers. Debbie and I grew up together and I can remember as a child running in and out of their house. Doris was just like another mom. I will miss her dearly.

“ I am so sorry for you loss. I met Doris several years ago when I went to work for her daughter Debbie's cleaning service. Doris was always kind and hardworking. She loved her family and spending time with them. She was an amazing lady, and she will be missed greatly. To the family I hope you can find peace in the many memories you have, and I will be praying for you..
