“ Jeff and Barry, I had the pleasure of knowing both your mom Dorothy and dad Rollins. They were both wonderful, happy people. I have been out of touch and have not seen them in recent years and was saddened to hear of Rollin's passing as well. I was also friends with Louise and Fred. loved all of them. My thoughts and prayers are with you. She lived a good life. She always made me smile.

“ Jeff and Barry, we will always remember the good times with your Mom and Dad. The horse races at Hot Springs were much anticipated each year. And the times with others at the Kings Club. Sincere condolences.

“ *Dot most certainly had her own opinions and was never afraid to share them.*

I hope I'm still able to drive across the country to watch the horse races when I get to be her age.

She was such a saucy woman. I can see where we all got our attitudes. It is stamped deeply into each member of the family.
