“ Dear Kelli,

I am so very sorry. You have my very deepest sympathy.

Your husband was such a good man and friend. I will miss his friendship. Your children are such shining examples of the great job that both of you did in raising them. They will always be a constant reminder of his love and influence on them.

To the girls,

Your father was one of the nicest people I know and I know that he was a great dad too. You have my deepest sympathy on your loss.

Much love & peace,

Tina

“ I've been one of Doug's customers for almost 20 years. Along with being a great mechanic, Doug was an honest man. The combination of the two is sometimes a hard thing to find, but it's one of the things that kept me coming back to him for repair and maintenance work with my many vehicles. Doug was always quick to tell me to drive my brakes for another 10,000 miles or to assure me that I didn't need some expensive repair, even when I had essentially given him a blank check by coming to him with a general complaint about one of my vehicles that he could have easily exploited. Doug also never gave up when faced with a nagging mechanical problem. He kept on digging and trying things and even would send me to someone else when a problem was outside his area of expertise. I'll truly miss the interactions I would have with him whenever I'd take my cars into the shop.

I pray that God will grant you, Doug's family, peace and comfort in this difficult time as we all mourn the loss of Doug.
