“ *I will miss you so much more than you could ever imagine! I think of you all the time! There's this huge empty hole in my heart where you are! I wish I had told you how much I love you more than I did! Nate misses you just as much! He starts to tell me something that he wants to remember to tell you and then it hits him that you're not there. Breaks my heart all over again. I love you always & forever!!!*
