“ "God saw you getting tired and a cure was not to be. So he put his arms around you and whispered "come with me". With tearful eyes I watched you and saw you pass away, although I LOVED YOU DEARLY I knew u couldn't stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best." When i close my eyes I still see your smile. I love you grandma, and I already miss you a bunch. tell grandpa hi for me. Till we meet again. -Angel
