“ Although I wasn't recognized as his daughter here. I would like to say that I appreciate everything he has done for me. He adopted me at age 12 and accepted me as his daughter. Although I wasn't able to spend a great amount of time with him do to my severe Health issues and working and taking care of my children. I will be forever grateful to him for adopting me and raising me as his own and teaching me how to be a productive member of society. I love you and will miss you.

“ *A nicer man I've never met. Always willing to give of his time. he was fun to hang around as well. I'll never forget the Astros-Yankees game we attended one Father's Day. The Astros were losing by 10 runs in the 7th inning. I asked Ed if he wanted to leave and he said " I paid good money to watch this a\_\_ kicking and I'm going to watch it all". we did! RIP Ed! Everyone is going to miss you!*

“ Ed was a mentor to me in Aviation Maintenance but most of all, is one of the best friends I have. We enjoyed many Astros games together, stock car races, and even saw OU in the Big 12 championship in Houston one year. And when I got my A&P, boy did we party! Well, I did, and way too much! He never let me forget I puked in his Mustang, which as you know Ed, his Mustang was his pride and joy! He had all the great hobbies anyone would want, trains, flashlights, guns, knives, Harley's and watches. He was Uncle Ed to my boys and always had fun coming over. I was sad to see him leave Houston but he finally got to transfer back home and be with his loving wife Peggy. He had been wanting that for years and I was happy for that. He absolutely loved being back home and enjoyed being able to retire from COP. And then good ole Ed surprised hopefully more than just me, and became Mayor of Copan!! You believe that! Ha! I'm going to miss him dearly. He was always so fun to be around and was always the life of the party.
