“ So sorry to hear of your loss. This family has been very instrumental in the life of my sister and I. They opened their home to us on many occasions. Most of our fondest childhood memories were created with this family. You simple couldnt ask for better people. I was sharing with my sister how Ed used to make us laugh so hard when he would read "Go Dog Go" to us. Ed was always making us laugh and was very kind to us, as was his entire family. I want to personally thank Ed and his family for being friends to us. Thank you so much and Ed will be truely missed. Chris and Sherri Smith.
