“ Karen and Kerry: So sorry for your loss. Growing up across the street from Your mom and dad on Prairie Heights Drive was really nice. They were great neighbors. Just a few years ago Adriana and I stopped by when we were in Bartlesville and Ellen invited us in for a little chat with James and herself. She was so sweet. James built the addition on our house, made a sled for all the kids when it snowed and pulled it behind his truck. The first quail I'd ever eaten was brought over by your dad after one of his hunting trips. I also remember an attempt to water ski on lake sunset. Great memories. God Bless,

Ellen was one of the sweetest people I ever worked with at Phillips. I still have a gift she gave me in 1976 in my kitchen and think of her always when I use it. I am lucky enough to know Kerry and Tonya and know she was an important part of making them the beautiful people they are. I hope great memories give you comfort forever. God bless you all.
