“ Ernest was my neighbor for 3 years. I never new Ernest before I moved there. But when he came and introduced himself to me it was like I new him my whole life. He was running buddies with my dad Kent Lathrop and Uncle Eric Lathrop. He new them through running and the YMCA. Ernest new my Grandmother and Grandfather Lathrop. What was more amazing was he was a running buddy with my Grandfather Charles Kempf. Also, buddies with my Uncle Thom Kempf and Randall Kempf. He was the sweetest guy you would ever meet. I love listening to stories. He always told the best stories. The world is a darker place now that he is gone. But I know he is in a much more beautiful place now. He was always there if you needed to talk. He was a great listener.
