“ *I remember alot of good memories at Jess & Ettabelle's House...Those two were my 2nd Dad & Mom, they showed me by exsample H0w peaceful a household should be - nonviolent, sharing prayers with the whole family. But what always impressed me was us kids & Ettabelle would get on our knees (if we going anywhere) she would pray out loud and ask Heavenly Father to watch over us and for protection from any harm!!! She taught me how to pray& love the Lord & savior!!! I spent many day & nights at their house...Twila & Delsa Short & me got in trouble for giggling so much at bedtime>*

“ *I loved every minute of my childhood with my grandma belle and my papa jess, from running around the house and front yard, learning to paint with grandma, and every time I was with my papa he would take me to the store to get a piece of bubblegum. My childhood was filled with beautiful moments because of you both. Knowing you was the greatest gift ❤️*

“ *Grandma House has been a part of my life since before I was born. When I was younger I remember the sleep over with my cousins, I remember going out to the shed and her teaching me to paint. I remember the day of grandpa's funeral and how she told me it'd be OK and that grandpa's always with us. She was so strong for her family, but she's been ready to be with grandpa for a long time. She will be greatly missed.*
