“ *Eugenia was my student in Independence Bible School. She had to take American History and I was trying to help her with her lessons. She told me how she hated History. Bless her heart. I felt so sorry for her to have to try to learn things that she didn't want to learn. She had a beautiful smile and was a very loving person. I took her and other young people to a lot of places and I truly enjoyed Eugenia's company. I'm so glad she was saved and sanctified and established in the Lord. What a great Comfort.*
